

Distribution of premises across Northern Ireland showing the number of broadband suppliers that can provide more than 30 mbps download speeds.

Legend

Number of suppliers providing premises with more than 30 mbps download speed

- 2 or more suppliers
- 1 supplier
- 0 suppliers*

Notes

The map shows the count of broadband suppliers that can provide more than 30 mbps download speed per premises across Northern Ireland.

Analysis conducted on data submitted to Next Generation Access Broadband - Open Market Review - Baseline Data July/August 2018.

* These are premises which may be serviced, however, they will have access to less than 30 mbps download speed.
