¹ One extra pitch can be created by converting the now defunct administration building. There is also planning permission for two additional pitches to be developed. This is due to expire on 21 September 2017. See Letter from Armagh City, Banbridge and Craigavon Borough Council to NIHRC, 29 March 2017; Section 61, Planning Act (NI) 2011; Letter from NI Housing Executive to NIHRC, 20 March 2017.

² The serviced part of Glen Road Heights was closed from 2011 until March 2017. See Letter from NI Housing Executive to NIHRC, 20 March 2017.

³ Those that were inhabiting the transit site on a permanent basis were moved to the newly refurbished serviced in March 2017. The transit site has closed and is no longer available for habitation, though the NI Housing Executive is considering reopening it. See Letter from NI Housing Executive to NIHRC, 20 March 2017.

⁴ The NI Housing Executive categorises the front part of this Travellers' site as a private site. However, it is categorised as a de facto serviced site for the purposes of this investigation because this Travellers' site exists due to an arrangement between the NI Housing Executive and Clanmil Housing Association – Clanmil owns the land, but the NI Housing Executive maintain the services on the site. The back part of the site that is not serviced by the NI Housing Executive is categorised as an unauthorised encampment for the purposes of this investigation. See Interview with representatives of Clanmil Housing Association, 8 March 2017; Letter from NI Housing Executive to NIHRC, 20 March 2017; Letter from NI Housing Executive to NIHRC, 3 November 2017.

⁴⁵ Letter from Armagh City, Banbridge and Craigavon Borough Council to NIHRC, 29 March 2017. The initial application was for 20 individual pitches on a larger piece of land and omitted information about the substantial community benefit that such a site would have on the area. The application as revised, which included reducing the number of individual pitches to 12, reducing the size of the development and providing additional information on the community benefits of the site. Additional delays resulted from the Council deferring the application for further consideration and facilitating a meeting with local objectors.

Application	Initial Decision	Appeal	Status	No of Weeks for Decision
Temporary planning permission for a halting site for eight pitches and eight steel pod showering units to extend from 22 February 2012 to 22 February 2017 on lands to rear of Moylinn House, Craigavon	Application received 25/03/2011 and granted on 16/10/2012 – it satisfied planning policies. ⁴⁷	-	Emergency halting site retained and permitted to exist until 22/02/2017 – Legahory Close, Craigavon. Due to delays in processing the application this site existed without planning permission from 22/02/2012 until 16/10/2012.	81 (reason unknown for delay)
12 pitch site for Traveller accommodation by Drumbeg Roundabout Craigavon	Application received 25/05/2011 and refused on 22/11/2012 – located outside development limit and sufficient serviced sites provided within development limit; no overriding reasons that essential development was within a rural location. ⁴⁸	-	Planning permission refused.	78 (reason unknown for delay)
12 pitch site for Traveller accommodation at Burnside, Craigavon	Application received 20/05/2011 and granted on 22/02/2013 – demonstrated need for a site in the area and adjacent to Burnside site that was previously given approval, but prohibited from development due to issues with land ownership and site access. ⁴⁹	-	Site not developed. Planning permission expired on 22/02/2018. ⁵⁰	92 (reason unknown for delay)
