Tower Blocks Update

Housing
Executive

Hello

Since the approval of our Tower Blocks Action Plan, we have made significant progress with our plans.

We will continue to consult with you at key stages of delivery of the Action Plan, and keep you up to date with our progress.

Our Plan

The Housing Executive and the Department for Communities have approved the following blocks for demolition:

- Belvoir

-

PHASE 2

Demolition in a 6-10 year timeframe with repair works carried out in the interim.

The blocks in this phase are:

- Ferndale
 - Fianna
 - Finn
 - Parkdale
 - Riverdale
-

PHASE 3

- Glencoole

What we mean...

PHASE 1 1-5 years

Stage 1 – Consultation

We consult with you and others when preparing the plans for the tower block.

Stage 2 – Business Case

We will produce a business case. This outlines the best solution for the tower block.

Stage 3 – Approval

The Housing Executive and Department for Communities will approve the business case.

Stage 4 – Clearing

We will rehouse our tenants and will acquire leasehold properties.

Stage 5 – Demolition

PHASE 2 6-10 years

These blocks are located close to the blocks in Phase 1. This means that block clearance will take longer and progress will depend on the time taken to complete Phase 1.

Stage 1 – Consultation

We consult with you and others when preparing the plans for the tower block.

Stage 2 – Business Case

We will produce a business case. This outlines the best solution for the tower block.

Stage 3 – Approval

The Housing Executive and Department for Communities will approve the business case.

Stage 4 – Clearing

We will rehouse our tenants and will acquire leasehold properties.

Stage 5 – Demolition

PHASE 3 10+ years

Stage 1 – Feasibility

We will carry out an assessment to determine improvement options (if any) for the blocks.

Stage 2 – Business Case

We will produce a business case after consultation with tenants and leaseholders. This outlines the best solution for the tower block.

Stage 3 – Approval

The Housing Executive and Department for Communities will approve the business case.

Stage 4 – Improvement Works

We will carry out improvement works as per our Planned Maintenance Scheme.

Stage 5 – Review

We will assess the lifespan of the block to decide a timescale for the block to be cleared and demolished. We expect this to be carried out in 10+ years.

Stage 6 – Demolition
