Notes for Reader

- The administrative source of data is the Northern Ireland Further Education College Learner Management System (LMS).
- **The data contained in this release are provisional, unvalidated management information sourced from administrative systems and are subject to change.**
- Due to interest in the Department for the Economy funded Level 2 Traineeship programme, the Department is publishing a one-off data release of management information to provide more timely information.
- Where a participant has been enrolled on more than one Level 2 Traineeship programme the most recent enrolment has been selected.
- Enrolments of any student status are included in this analysis. This may include: continuing, withdrawn, transferred or completed.
