Foreword

I have pleasure in submitting the 2016/2017 Annual Report on TransportNI work in the Fermanagh and Omagh District Council Area.

The objective of this report is to

- provide an update on the work we are undertaking on the strategic road schemes which affect your council area,
- highlight works completed in the Fermanagh and Omagh District Council area during the year 2015-2016 and
- set out our initial proposals for schemes to be undertaken during the year 2016-2017.

On a general note, while there is welcome progress on taking the A5 WTC project through the statutory processes, the capital funding available for Local Transport and Safety Measures schemes is reduced this year and this severely limits the number of schemes that can be delivered across the District Council area. As the Division continues to get many requests for all types and sizes of improvement schemes, priorities have to be set. Accident reduction, encouraging the use of transport other than the private car, and meeting established traffic and pedestrian needs, attract a high priority rating. I am pleased to report that a good programme of such schemes was delivered last year.

I am also pleased to report that a large programme of maintenance work was delivered in 2015-2016 through successful in-year monitoring bids despite a low level of funding being available at the start of the financial year. While there is a welcome increase in the initial road maintenance capital budget that has been made available for 2016-2017, there again is a very limited resource budget available for routine maintenance activities. This will result in TransportNI only being able to provide a limited maintenance service across most functional areas.

Our Request / Enquiry forms can be used to raise local issues with TransportNI, or deal with matters that are not directly related to my report. I would also encourage Councillors to continue to contact the relevant members of my staff in relation to operational matters and they will do their best to assist.

I hope that you find this report informative. TransportNI values constructive comment on all its activities and I, along with Section Engineers, Harold Henry and Henry Robinson, look forward to meeting the Council.

A handwritten signature in black ink that reads "Conor Loughrey". The signature is written in a cursive style with a prominent loop at the end of the last name.

Conor Loughrey
Divisional Manager
20th June 2016

Western Division

Western Division is one of four Client Divisions within TransportNI. It spans the local Council areas of Derry City and Strabane, Mid-Ulster and Fermanagh and Omagh

In Western Division we are responsible for approximately 9712km of public road together with 2816 bridges, and 64,147 street lights, 124 controlled crossings (Pelican/Puffin/Toucan & Zebra type), 117 traffic signalised junctions. We carry out functions under the headings:-

- Strategic Road Improvements – Road Improvement Schemes greater than £1.5Million on the strategic road network
- Network Maintenance – Maintenance of Roads and Structures
- Network Development - Street Lighting and Road Improvement Schemes up to £1.5Million
- Network Planning - Development Control, Private Streets and Area Plans

Western Division - Senior Management Team

Conor Loughrey

Divisional Manager

The Senior Management Team and their areas of responsibility are listed below. Day to day matters should be raised in the first instance with the relevant Senior Engineers whose details are listed at the start of each section.

Alan McMurray

Network Maintenance Manager

Road maintenance operations, structural maintenance planning and programming, inspections, road maintenance standards, utility street works, winter service

Seamus Keenan

Strategic Road Improvement Manager

A5 Western Transport Corridor Manager

David McKinley

Strategic Road Improvement Manager

Major works schemes (excluding A5WTC);
Highway Structures

Gareth McKibbin

Network Development Manager

Traffic Management, Street Lighting, Local Transport and Safety Measures schemes

Darren Campbell

Network Planning Manager

Development Control, Private Streets, Area Plans

1.0 STRATEGIC ROAD IMPROVEMENTS

1.1 A5 Western Transport Corridor (A5WTC)

Strategic Roads Improvement Manager - A5WTC: Seamus Keenan

1.1.1 A5 Western Transport Corridor (A5WTC)

The A5 Western Transport Corridor (A5WTC) is a Northern Ireland Executive led scheme which aims to provide 85 kilometres (55 miles) of dual carriageway from south of Londonderry at New Buildings to the border at Aughnacloy.

On 16 February 2016 the Department published for consultation the Notice of Intention to Make Vesting Orders (draft Vesting Orders) for the following phases of the scheme:

- Phase 1A - New Buildings to north of Strabane;
- Phase 1B - south of Omagh to Ballygawley; and
- Phase 2 - north of Strabane to south of Omagh.

The Department also published the Notice of Intention to Make a Direction Order (draft Direction Order) for the length between New Buildings and Ballygawley and a new Environmental Statement (ES) covering the full extent of the scheme between New Buildings and the border at Aughnacloy. The consultation period extended to 4 April 2016.

New draft Vesting Orders and a Direction Order for the section between Ballygawley and the border at Aughnacloy (Phase 3) are not being taken forward until details of the link with the N2 at the border with the Republic of Ireland have been clearly identified. This section was however being included in the new Environmental Statement which must take account of the full extents of an overall project.

Four public exhibitions on the scheme proposals were held between 1 March 2016 and Friday 4 March 2016 at the Everglades Hotel in Londonderry (1 March), followed by the Silverbirch Hotel, Omagh (Wednesday 2 March), the Fir Trees Hotel, Strabane (Thursday 3 March) and Smyth Memorial Hall, Ballygawley on Friday 4 March 2016. There were a total of 1054 registered attendees at the exhibitions.

The Department received 972 representations on the scheme proposals during this consultation period. During the period the Department also became aware that the Non-Technical Summary (an integral part of the Environmental Statement) did not fully reflect the content of the main body of the Environmental Statement.

While the content of the main body of the Environmental Statement was unchanged, to ensure anyone who may only have read the shorter Non-Technical Summary was appropriately informed, it was decided to re-consult on the Environmental Statement which included a revised Non-Technical Summary. This new consultation period commenced on 18 April and concluded on 2 June 2016.

A Public Inquiry has been programmed for autumn 2016. On this occasion the Planning Appeals Commission will administer the Public Inquiry.

The Department must then await the Inspector's Report and consider its recommendations in detail. The Inspector's Report is expected around May 2017.

The Budget Statement of 17 December 2015 allocated £229m between 2016/17 and 2020/21 to the A5 scheme, including a contribution from the Irish Government of £75m.

Subject to the successful completion of all the statutory procedures and a satisfactory outcome from the Inspector's Report, it is hoped that construction can commence in late 2017 on Phase 1A (between New Buildings and north of Strabane) in line with the 'A Fresh Start' Agreement.

The Joint Venture Contractor for Phase 1A is BAM/Balfour Beatty & FP Mc Cann.

1.2 Enniskillen Southern Bypass

The Preferred Route Corridor for the Enniskillen Southern Bypass was announced in July 2011. Initial surveys and ground investigations have since been completed and design development has allowed various route options to be analysed. Meetings have also been held with affected landowners. This work led to the selection of an Emerging Preferred Alignment which was announced at a Public Information Day at the Ardhowen Theatre on 17 June 2015.

The design continues to be developed along with an Environmental Impact Assessment for the scheme. More detailed environmental surveys, archaeology surveys, ground investigations and traffic surveys are to be carried out in the coming months.

Progression of the scheme to the Making of Orders and the associated Statutory Consultation process (which may include a Public Inquiry) will depend on the availability of funding.

Emerging preferred Route Enniskillen Southern Bypass

1.3 Improvements on the A32 from Enniskillen to Omagh

TransportNI has in place a Road Improvement Strategy for the A32 Omagh to Enniskillen route. A package of schemes have been identified which will improve the quality of the route, enhance road safety and reduce journey times for all road users. Two schemes have already been delivered at Shannaragh and Drumskinny at a cost of approximately £10m. Drumskinny was completed in March 2012 while Shannaragh was completed in December 2012.

The Department is currently developing further realignments at both Cornamuck and at Kilgortnaleague. Whilst there is currently no budgetary provision for these projects, the Department published the Draft Orders and Environmental Statement for the Cornamuck scheme, (between Dromore and Irvinestown) in summer 2015. The Direction Order was made in Autumn 2015 in anticipation of funding becoming available in the future to allow vesting, procurement and construction.

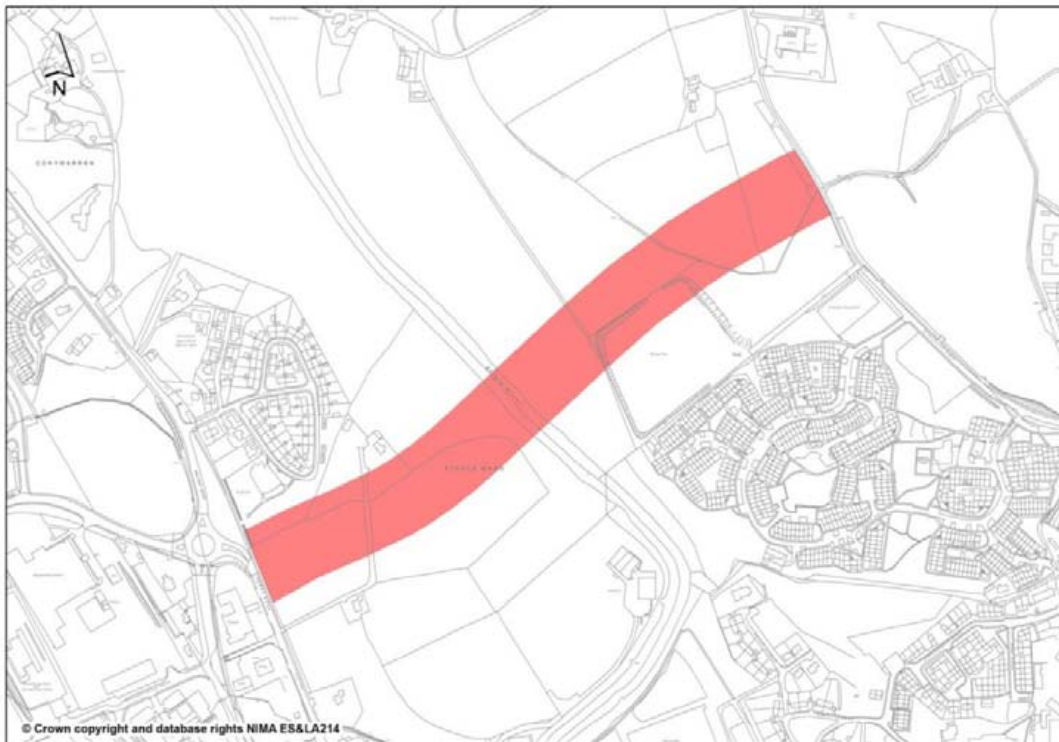

A32 Cornamuck

Design work on the Kilgortnaleague realignment, between Irvinestown and Enniskillen, has also progressed and a Preferred Corridor has been identified. Alignment Options within the Preferred Corridor are currently being developed for consultation.

The progression of further improvement works on the A32 will depend on the outcome of future budgetary settlements.

1.4 Strathroy Link Road

The Education Minister gave a commitment to fund the construction of the Strathroy Link Road as part of the Strule Shared Education Campus project. The Department for Infrastructure has engaged consultants to progress the Link Road and detailed scheme design is progressing. The Draft Vesting Order was published in November 2015. The estimated total cost of the scheme is £7Million and the Department for Education is providing a contribution of £6Million.

A traffic impact assessment commissioned by the Department of Education recognises the need for significant development work to the local road network and in particular the need for a road crossing the Strule River to link the Derry Road and Strathroy Road. The Department of Education has indicated that the Strule Shared Education Campus project programme provides for the completion of the new campus in 2020 and has stipulated that the Strathroy Link road must be operational prior to this date. Transport NI has already acquired Planning Permission and is committed to the delivery of this scheme by the end of 2018.

The Strathroy Link Road scheme comprises approximately 1km long single carriageway link road connecting the B84 Derry Road to the U1526 Strathroy Road. The scheme will feature a significant 90m long bridge over the Strule River. Transport NI is working in partnership with Rivers Agency to allow the replacement flood wall at Hunters Crescent to be included within the Link Road construction contract. Ground Investigation works have been carried out and consultations are ongoing with the affected landowners.

2.0 NETWORK MAINTENANCE

EXPLANATION OF MAINTENANCE OPERATIONS

Resurfacing and Strengthening

Roads generally fail by cracking and rutting. They usually do not fail suddenly, but gradually deteriorate due to the impact of traffic, age and weathering. Wear normally appears as either excessive permanent deformation of the whole or part of the carriageway structure, or is associated with the cracking of the bituminous layers.

Road pavements are normally designed for an operational life of 20 years. During this period and beyond, there is a need for the highway authority to intervene at times to either treat or replace the top course of bituminous material known as the “wearing course” or to provide additional depth to preserve the structure of the pavement and extend its life.

Resurfacing is the application of a layer of this mixed material of 40mm (1.5") minimum thickness. It strengthens the road, seals it against the ingress of water, and improves skidding resistance and riding quality. The thicker the layer, the more strength imparted.

Wearing course bitmac has an expected life of 7-12 years (which can be extended by subsequent surface dressing) whereas asphalt has an expected life of 15-20 years but costs more.

Resurfacing of existing roads can usually be carried out on top of the existing surface (overlay) but where kerb levels or bridge heights are restricted the existing surface may need to be removed by planing.

Surface Dressing

This process involves spraying a bitumen emulsion binder onto the existing road surface, followed by a layer of stone chippings, which is then rolled. It has three main purposes:-

- to improve skidding resistance of the surface
- to seal the road surface against ingress of water
- to prevent deterioration.

2.1 STRUCTURAL MAINTENANCE - Completed works 2015-2016

Resurfacing

56.29 kms of road have been resurfaced in the financial year 2015-2016 at a cost of £2.44 million in the Fermanagh & Omagh District Council Area.

Resurfacing (Fermanagh & Omagh West)

Resurfacing on A4 Sligo Road at 'Double Corners'

Resurfacing on Trunk Road Network in 2015/16

2.2 ROUTINE MAINTENANCE COMPLETED 2015-2016

Grass Cutting.

With the limited budget available it was only possible to cut the grass verges on all rural roads once last year, with the work being completed by the end of August 2015 for Fermanagh & Omagh West and by the end of September 2015 for Fermanagh & Omagh East.

Later in the season, some additional sightlines were cut for side roads joining main roads providing a total grass cut of approximately 8500 km. There was no funding available to undertake any on the arterial routes to the main towns.

Defects

Section Office staff regularly inspect the local network for actionable defects in accordance with the Road Maintenance Guidelines. These guidelines classify the local roads according to traffic volume and establish corresponding deadlines for the repair of any defects identified.

During this past year In Fermanagh & Omagh West 2036 priority defects were recorded with 93.9% being repaired inside the specified timescales. In Fermanagh & Omagh East 1842 priority defects were recorded with 86% being repaired inside the specified timescales

Drainage

In Fermanagh & Omagh West 10,188 road gullies, 40,000 outlets 5.3 km of open drain were cleaned to assist in controlling surface water and maintain roads in a safe and passable condition. In Fermanagh & Omagh East 25,217 road gullies, 57,674 outlets and 205 km of open drain were cleaned.

Public Liability Claims (Fermanagh & Omagh)

In 2015-2016 we received 151 new claims for compensation. This was made up of:

- 123 claims for vehicular damage,
- 23 personal injury
- 5 for property damage.

In the same period £40, 748.06 was paid out on 80 claims, some of which covered settlements relating to previous years.

There were 47 claims rejected during this period.

2.3 WINTER SERVICE 2015-16

The official winter maintenance period commenced on 19 October 2015 and ended on 10 April 2016. Following Met Office warnings of low temperatures the season had also to be extended to include the periods 8 – 9th April and on 25 – 26th April 2016. Generally the winter was milder than previous years but there were many marginal nights when treatment was still required.

Fermanagh & Omagh West

During the winter of 2015/16 there were 63 occasions when salt was applied to the 406 km of roads on the gritting schedule using 3296 tonnes of salt, a decrease of 28% over the previous year when there were 83 salting actions. The first application of salt took place on 21 November 2015 and the last on 31 March 2016.

Fermanagh & Omagh East

During the winter of 2015/16 there were 65 occasions when salt was applied to the 340km of roads on the gritting schedule using 3264 tonnes of salt, a decrease of 36% over the previous year when there were 91 salting actions. The first application of salt took place on 20 November 2015 and the last action was on 15 April 2016

Loading a lorry for a gritting action

2.4 STREET WORKS

TransportNI monitors the installation, maintenance and removal of utility plant within the public road network. The activities of Statutory Utilities are controlled under the *Street Works (Northern Ireland) Order 1995* and a range of Codes of Practice.

An electronic web-based system is used for TransportNI and utilities to exchange street works information. This system, NISRANS (the Northern Ireland Street Works Registration and Notification System) is a jointly owned system involving TransportNI and most utility/communication companies which have Statutory rights to place and maintain their apparatus in or on the public road network. TransportNI can also use NISRANS to control utilities street works activities. Approximately 30% of Statutory inspections are carried out at works stage and subsequent stages prior to accepting reinstatements as final. The cost of these inspections is covered by the utilities.

All reasonable efforts to minimise disruption and delay to road users is employed through advertised road closures and co-ordination of these street works.

All openings (except for emergencies) are notified in advance on the electronic Street Works Gazetteer operated by Symology and monitored by TransportNI.

Over the past year 1845 notifications of intention to excavate in the highway were made by the various utilities in the Fermanagh & Omagh West area, of which 529 were subject to inspection. Of those reinstatements inspected 1.9% were classified as unsatisfactory. In the Fermanagh and Omagh East District Council area, 1075 notifications of intention to excavate in the highway were made of which 257 were subject to inspection, no reinstatements were classified as unsatisfactory.

2.5 STRUCTURAL MAINTENANCE - Planned Works 2016-2017

Resurfacing

In the 2016-2017 financial year it is proposed to resurface the following roads on the Trunk network at an estimated cost of £1.2 million

Resurfacing TRN network (Fermanagh & Omagh West)

| Road No | Road Name | Length (m) |
|----------------|---------------------------------------|-------------------|
| A32 | Enniskillen Road at Kilgortnaleague | 1008 |
| A32 | Dromore Rd, Irvinestown (at Creamery) | 646 |
| A32 | Tempo Road – Breandrum to Link Road | 1008 |
| A46 | Loughshore Rd at Blaney | 2420 |
| A46 | Loughshore Rd at Cosbytown | 1940 |
| A46 | Loughshore Rd at Corrigan's Corner | 300 |
| A509 | Belturbet Road at Teemore | 50 |

Resurfacing TRN network (Fermanagh & Omagh East)

| Road No | Road Name | Length (m) |
|----------------|------------------------|-------------------|
| A5 | Curr Road | 890 |
| A505 | Killyclogher Road | 180 |
| A505 | Barony Road, Glencurry | 370 |
| A505 | Barony Road, Creggan | 1410 |

In the 2016-2017 financial year it is proposed to resurface the following other roads on the network at an estimated cost of £1.46 million in the Fermanagh and Omagh District Council area.

Resurfacing – other roads (Fermanagh & Omagh West)

| Road No | Road Name | Length (m) |
|----------------|------------------------------------|-------------------|
| A35 | Main Street, Kesh | 140 |
| A34 | Moorlough Rd at Drumraine | 125 |
| B36 | Main Street, Rosslea | 250 |
| B36 | Moorlough junction with A34 | 100 |
| B127 | Ballyconnell Road at Greagh | 1000 |
| B72 | Castleberg Road, Ederney (Tonwore) | 500 |

Resurfacing – other roads (Fermanagh & Omagh East)

| Road No | Road Name | Length (m) |
|----------------|---------------------|-------------------|
| B46 | Killymore Road | 1800 |
| B84 | Baronscourt Road | 500 |
| B122 | Ecclesville Road | 850 |
| C625 | Old Mountfield Road | 330 |
| U1271 | Circular Road | 390 |
| U3016 | Irishtown Road | 430 |

Neighbourhood Renewal (Fermanagh & Omagh East)

TNI proposals have been prepared for funding in the Omagh Neighbourhood Renewal Area. This proposal in partnership with other organisations will form the basis for a business case and economic appraisal by the Department of Communities for funding.

Flood Alleviation (Fermanagh & Omagh West)

Following the severe flooding in Dec 2015 – Jan 2016 a sum of £625,000 was made available to help alleviate future flooding in key locations in Fermanagh. In order to maximise the benefit to the greatest number of road users the following roads were selected for treatment:

| Road No | Road Name | Est (£ k) |
|----------------|--|------------------|
| B127 | New Bridge Road at Share (piled support) | 400 |
| B533 | Wattlebridge Road at Derrykerrib | 125 |
| C436 | Inishmore Road (3 locations) | 50 |
| C441 | Boho Road near Cloghane Bridge | 25 |
| U6525 | Wellington Road spur at Bus Depot | 25 |

Surface Dressing

This year it is proposed to surface dress approximately 376 kms of road in the Fermanagh and Omagh District Council area.

(Fermanagh & Omagh West)

3.1. LOCAL TRANSPORT AND SAFETY MEASURES

3.1.1. COMPLETED SCHEMES 2015-2016

The following Local Transport and Safety Measures were completed during the 2015-16 financial year at a cost of £505k. £225k was funded through successful Active Travel bids for improved cycling infrastructure provision.

Carriageways

Newtownsaville Road/Killadroy Road, Eskra - before

Newtownsaville Road/Killadroy Road, Eskra - after

| Road No | Road Name | Description |
|----------------|---|-----------------------|
| C657/C640 | Newtownsaville Road/Killadroy Road, Eskra | Sightline improvement |

B36 Dernawilt Road/Aghadrumsee Road – Sightline improvement scheme

| Road No | Road Name | Description |
|----------------|--|-----------------------|
| B36/U9172 | Dernawilt Road at Aghadrumsee Road junction, Rosslea | Sightline improvement |
| B36/U9157 | Dernawilt Road/Tattycam Road junction, Donagh | Sightline improvement |

Pedestrian Measures

A32 Clanabogan Road, Omagh

| Road No | Road Name | Description |
|----------------|------------------------|--|
| A32 | Clanabogan Road, Omagh | Provide 102m of new footway to bus stop. |

B158 Donaghanie Road, Omagh

C627 Deverney Road, Omagh

| Road No | Road Name | Description |
|----------------|--|------------------------------------|
| B158/C627 | Donaghanie Road and Deverney Road, Omagh | Provide 90m and 80m of new footway |

B4/B158 Hospital Road/Donaghanie Road, Omagh

| Road No | Road Name | Description |
|---------|---|---|
| B4/B158 | Hospital Road/Donaghanie Road, Omagh | Upgrading of a 100m of footway to shared cycle track on both northern and southern sides of carriageway |

C625 Knocknamoe Road, Killyclogher, Omagh

| Road No | Road Name | Description |
|----------------|--------------------------------------|---|
| C625 | Knocknamoe Road, Killyclogher, Omagh | Provide 85m of new footway |
| B4 | Campsie Road, Omagh | Upgrade existing pelican crossing equipment. |
| U1539/U3005 | James Street/Railway Terrace, Omagh | Dropped kerbs provided to assist pedestrians and cyclists |
| U3005 | James Street, Omagh | Upgrade existing pelican crossing to puffin crossing |

A32 Forthill Street, Enniskillen – Puffin crossing provided

| Road No | Road Name | Description |
|----------------|-------------------------------|---|
| A32 | Forthill Street, Enniskillen | Upgrade existing pelican crossing at Dunnes Stores to puffin crossing |
| B143 | Lucky Road, Aghadrumsee | Provide 100m of footway between school and Aghadrumsee Road |
| U9172 | Aghadrumsee Road, Aghadrumsee | Provide 50m of footway link to Lucky Road |

Magheraveeley Road, Newtownbutler – new footway provision

| Road No | Road Name | Description |
|----------------|-----------------------------------|---|
| B143 | Magheraveeley Road, Newtownbutler | Provide 90m of footway from residential development to bus stops on Clones Road |

Kilsmullen Road, Lack – new footway provision

| Road No | Road Name | Description |
|----------------|-----------------------|--|
| U9014 | Kilsmullen Road, Lack | Provide 70m of footway from Main Street to play area |

Cycling Measures

A5/A505 Dublin Road/Crevenagh Road

| Road No | Road Name | Description |
|----------------|----------------------------|---|
| A5/A505 | Dublin Road/Crevenagh Road | Provision of 370m of shared cycle track(Active School Travel funded project) |
| B48 | Drumragh Avenue, Omagh | Completion of scheme to convert the existing footways along Drumragh Avenue into shared cycleway/footway. |

A32 Tempo Road, Enniskillen - Before

A32 Tempo Road, Enniskillen - After

| Road No | Road Name | Description |
|---------|-------------------------|---|
| B80 | Tempo Road, Enniskillen | Provide 900m of cycle path between Old Tempo Road and Crannog Way (Active School Travel funded project) |

Traffic Calming

Centenary Park, Omagh

| Road Name | Description |
|-----------------------|---|
| Centenary Park, Omagh | Provision of 20mph zone, traffic calming measures, associated signs and road markings |

Strule Park, Omagh

| Road Name | Description |
|-----------------------------|---|
| Strule Park, Omagh | Provision of 20mph zone, traffic calming measures, associated signs and road markings |
| Knocknamoe Park Road, Omagh | Provision of traffic calming measures with associated signs and road markings |

Glebe Park, Enniskillen – Traffic Calming provision

Loane Drive, Enniskillen – Traffic Calming provision

| Road No | Road Name | Description |
|---------|---|---|
| C413 | Makenny Road, Ballinamallard | Provide 4 No. pairs of speed cushions with associated signing |
| U6509 | Irvines Crescent, Loane Drive and Glebe Park, Enniskillen | Provide 4 No. pairs of speed cushions, 2 No. tapered edge road humps and associated signing |

Safer Routes to School (SRS)

| Road No | Road Name | Description |
|---------|--------------------------|---|
| B46 | Kilskeery Road, Trillick | Provision of enhanced road markings and flashing school warning signs at Kilskeery PS |

Accessible Parking

| Road No | Road Name | Description |
|---------|----------------------------------|------------------------------------|
| A35 | Main Street, Kesh | 1 disabled parking space provided |
| U6501 | Galliagh Terrace, Enniskillen | 2 disabled parking spaces provided |

Road Signs and Markings and bollards

| Road No | Road Name | Description |
|---------|--|---|
| A32 | Clanabogan Road (Omagh to Stralongford) – route action | Black and white chevron board and warning signs provided – 53 signs |
| A32 | Irvinestown Road & Dromore Road (Enniskillen to Stralongford) – route action | Black and white chevron board and warning signs provided – 31 signs |

| Road No | Road Name | Description |
|----------------|--|---|
| A32 | Irvinestown Road & Dromore Road (Enniskillen to Stralongford) – route action | Up-grade all existing direction signs along route – 66 signs |
| A32 | Mossfield Road, Irvinestown (Necarne corner) | Black and white chevron boards provided at collision site – 12 signs |
| A32 | Cherrymount Road, Enniskillen | Up-grade all existing 40mph repeaters – 26 signs |
| A34 | Lisnagole Road, Maguiresbridge (St Mary's P.S) | Provide parking bay and keep clear markings at school entrance |
| A35 | Pettigoe Road, Kesh (Little's house) | Black and white chevron boards provided at collision site – 9 signs |
| A47 | Boa Island Road, Belleek (Leggs) | Black and white chevron boards provided at collision site – 7 signs |
| A47 | Boa Island Road, Belleek (McCaffrey's corner) | Black and white chevron boards provided at collision site – 46 signs |
| A47 | Killadeas Road, Kesh (Harron's corner) | Black and white chevron boards provided at collision site – 16 signs |
| A47 | Killadeas Road (Kesh to Trory) - route action | Up-grade all existing warning signs & direction signs along this route – 80 signs |
| A47 | Boa Island Road (Kesh to Belleek) – route action | Up-grade all existing warning signs & direction signs along this route – 86 signs |
| A47 & A46 | Belleek Village – all approaches | Up-grade all existing speed limit signs – 28 signs |
| A46 | Loughshore Road, Enniskillen (Magho) | Black and white chevron boards provided at collision site – 13 signs |

| Road No | Road Name | Description |
|----------------|--|--|
| A46 | Loughshore Road (Enniskillen to Belleek) – route action | Up-grade all existing warning signs & picnic signs along this route – 67 signs |
| A4 | Sligo Road (Enniskillen to Belcoo) – route action | Up-grade all existing warning signs along this route – 54 signs |
| A4 | Sligo Road, Enniskillen (Vance’s corner) | Black and white chevron boards provided at collision site – 4 signs |
| A509 | Main Street, Derrylin | Safety Camera Zone – 6 signs |
| B127 | Newbridge Road Lisnaskea (Lady Brooke Bridge) | Black and white chevron boards & warning signs provided – 6 signs |
| B4 | Letterboy/Edenamohill Road (Kesh to Lack) – route action | Up-grade all existing direction signs along this route – 47 signs |
| B52 | Garrison Village – all approaches | Up-grade all existing speed limit signs – 12 signs |
| B46 | Cooley Road, Beragh (Cooley Corner) | Upgraded black and white chevron board and warning signs – 4 signs |
| B48 | Dublin Road, Omagh | Yellow box junction marking extended at Supervalu junction |
| | Tempo / Garvary/ Lisbellaw area | Up-grade all existing warning signs in this area – 34 signs |
| | Coa / Ballinamallard area | Up-grade all existing warning signs in this area – 38 signs |
| | Teemore / Derrylin area | Up-grade all existing warning signs in this area – 41 signs |
| | Mountfield/Newtownsaville/Fintona area | Directional signs replaced – 7 no |

Park and share provision

Gardiners Cross Road, Maguiresbridge – Park and Share provision

| Road No | Road Name | Description |
|----------------|---|---|
| B535 | Gardiners Cross Road, Maguiresbridge | Provide new Park & Share facility adjacent to A4 Belfast Road -18 No. parking spaces provided |

LOCAL TRANSPORT AND SAFETY MEASURES

3.1.2. PLANNED WORKS 2016-2017

In the 2016-2017 financial year £690k has been allocated for Local Transport and Safety Measures within the Fermanagh and Omagh District Council area.

Carriageways

| Road No | Road Name | Description |
|---------|---|---|
| A5/C631 | Curr Road/Tullyrush Road junction, Omagh | Carriageway improvement to assist right turning movements. |
| A4 | Wickham Place / Dublin Road, Enniskillen | Carriageway widening and footway/cycle track provision on Wickham Place and Dublin Road |
| A4 | Sligo Road, Enniskillen at Old Rossorry Link Road jct | Site surcharging of ground for provision of right turning lane |
| A35 | Pettigoe Road, Kesh | Provide improved sightlines at Palm Bush junction |

Pedestrian Measures

| Road No | Road Name | Description |
|---------|--------------------------------|---|
| B4 | Hospital Road, Omagh | Provide new signalised pedestrian crossing east of Winters lane Mini roundabout |
| B48 | Sedan Avenue, Omagh | Upgrade existing pelican crossing to a puffin crossing |
| B48 | Drumragh Avenue, Omagh | Provide pedestrian crossing point with tactile paving |
| B127 | Newbridge Road, Lisnaskea | Provide quality pedestrian route with dropped kerbs and tactile paving |
| C629 | Dervaghroy Road, Beragh, Omagh | Provide 370m of footway on northwest side of carriageway |

| Road No | Road Name | Description |
|----------------|-----------------------------------|---|
| U3005 | Brooke Street, Omagh | Introduce new one way system with associated warning signs and road markings to enhance pedestrian safety on Brooke Street. |
| U9119 | Land Brook Road, Newtownbutler | Provide 390m of footway on northwest side of carriageway |

Traffic Calming

| Road Name | Scheme details |
|----------------------------|---|
| Ardvarney Road, Ederney | Provide traffic calming measures with associated signs and markings |

Cycle Measures

| Road No | Road Name | Description |
|----------------|-------------------------------|--|
| C625 | Old Mountfield Road, Omagh | Upgrade 225m of footway to shared cycle track on southern side of carriageway between Kylemore Gardens and Arleston Road |
| U3016 | Irishtown Road, Omagh | Upgrade 135m of existing footway to a shared cycle track and improve facilities for pedestrians and cyclists from the pedestrian footbridge to Dublin Road |

It is intended that the following Local Transport and Safety Measures schemes will be progressed to detailed design and land acquisition stage. If additional funding becomes available during the financial year, it may permit some of these schemes to progress to the construction stage.

| Road No | Road Name | Description |
|----------------|--|--|
| A4 | Sligo Road, Enniskillen | Provide 500m of cycle track from Henry Street to Waterways Ireland |
| A3/U1946 | Clones Road/Derrygoas Road, Newtownbutler, Enniskillen | Sightline Improvement |
| B84/U1608 | Dooish Road/Priestown Road, Dromore | Improve forward sight distance |
| B122/U1306 | Tattyreagh Road/Drumragh Road, Omagh | Sightline improvement |
| B46 | Enniskillen Road, Ballinamallard | Provision of 270m footway/cycleway |
| C627/C633 | Cloughfin Road/Whitebridge Road, Sixmilecross | Improvement to sightlines at junction with provision of new enhanced warning signs and road markings |
| C665 | Camderry Road, Dromore | Provision of 305m of footway on eastern side of carriageway |

3.2.1 STRUCTURES - COMPLETED WORKS 2015-2016

The following bridge works were carried out within the Fermanagh and Omagh District Council area, representing an investment of £880k in the local infrastructure. The types of work carried out include bridge strengthening, general maintenance, repairs due to vehicle impact damage, bridge replacements.

Ballynamullan Bridge, Killyclogher, Omagh

| Bridge No. /Road No. | Name of Bridge/Location | Description |
|---------------------------------|---|---|
| 61817/U1701 | Ballynamullan Bridge, Killyclogher, Omagh | Extend / widen bridge and improve carriageway alignment |
| 61497 / A32 | Swanlinbar Road, Florencecourt | Bridge replacement |
| 61582 / U26 | Clarnagh Road, Tempo | Bridge replacement |
| 62448 / U8462 | Drumcose Road, Monea | Bridge replacement |
| 61376 / U1235 | Coneyglen Bridge, Glenhull | Strengthen structure with concrete repairs |
| 60303 / U1250 | Aghnamirigan Bridge, Greencastle | Strengthen structure with concrete repairs |
| 62040 / C665 | Coradonna Road, Clanabogan | Sleeve bridge with pipe and foam concrete strengthening overall structure |
| 62045 / A32 | Johnston's Bridge (North) Cornagrade Road, Enniskillen | Complete strengthening & repairs |
| 62256 / U1722 | Rockstown Road | Underpin structure & construct a reinforced concrete floor/apron |
| 60068 / C659 | Corbally Road, Fintona | Underpin structure and gunite- grout arch barrel |

| Bridge No. /Road No. | Name of Bridge/Location | Description |
|---------------------------------|--|--------------------|
| 60576 / U221 | Arney Bridge, Arney | Parapet repairs |
| 60467 / C429 | Feugh Road, Newtownbutler | Parapet repairs |
| 60411 / B82 | Castlearchdale Bridge, Lisnarick | Parapet repairs |
| 61547 / C411 | Tullylammy Road, Irvinestown | Parapet repairs |
| 60533 / C437 | Claddagh Bridge, Marblearch Road, Florencecourt | Parapet repairs |
| 60469 / C430 | Crom Road, Lisnaskea | Parapet repairs |
| 61705 / U1250 | Aughnamirigan Road, Greencastle | Parapet repairs |
| 61704 / B46 | Tironey Road, Carrickmore | Parapet repairs |
| 62165 / U1212 | Castleroddy Road, Omagh | Parapet repairs |
| 61136 / C666 | Ballynahatty Bridge, Ballynahatty Road, Omagh | Parapet repairs |
| 60053 / U128 | Sloughan Glen Road, Drumquin | Parapet repairs |
| 62372 / U1544 | Tattysallagh Road, Omagh | Parapet repairs |

| 61139 / C682 | Ballyhushey Bridge, Greenmount Road, Seskinore | Parapet repairs |
| 61548 / C414 | Mullaghmeen Road, Ballinamallard | Parapet / spandrel repair |
| 61677 / U1727 | Bernisk Road, Sixmilecross | Scour protection measures |
| 62210 / U1316 | Madagh Road, Beragh | Scour protection measures |
| 61701 / A5 | Kevlin Road Bridge, Omagh | Anti- roosting measures |

3.2.3 STRUCTURES – Completed Vehicle Restraint Systems 2015 – 2016

| Road No | Road Name | Scheme |
|----------------|--------------------|-------------------------|
| VRS / A32 | O Kane Park, Omagh | Replace substandard VRS |

3.2.2 STRUCTURES – PLANNED WORKS 2016-2017

During 2016-2017 Bridge Management Section intends to carry out work to structures in the Fermanagh and Omagh District Council area representing an investment of approximately £600k in the local infrastructure.

| Bridge No/ Road No | Bridge Name, Location | Description of proposed work. |
|-------------------------------|--|--|
| 60344 / A32 | Johnston's Bridge (South) Cornagrade Road, Enniskillen | Bridge strengthening & deck repairs |
| 61840 / C628 | Radergan Road, Beragh | Replace structure with RC box culvert |
| 60295 / U1242 | Carnanrancy Bridge, Glenhull | Strengthen structure with concrete repairs |
| 61452 / U678 | Drumgamph Road, Boho | Bridge replacement |
| 60597 / B108 | Corry Bridge, Stragawna Road, Kinawley | Bridge replacement |
| 61626 / A32 | Swanlinbar Road, Florencecourt | Bridge replacement |
| 60616 / U229 | Drumcanon Road, Kinawley | Strengthen structure with reinforced concrete over-slab |

| Bridge No/ Road No | Bridge Name, Location | Description of proposed work. |
|-------------------------------|----------------------------------|--|
| 60360 / C710 | Rosscor Bridge, Belleek | Complete options study to determine if it can be repaired economically |
| 60725 / U119 | Galloon Bridge, Newtownbutler | Bridge strengthening & deck repairs |

3.2.3 STRUCTURES – Vehicle Restraint Systems 2016-2017

Vehicle restraint systems (VRS) across Western Division have been inspected and remedial work prioritised. Some of these VRS will be replaced in the coming years and particular attention will be paid to barrier on wooden posts with welded angle ends. Sites will be assessed on an individual basis and current design standards will be applied. If additional barrier is needed it will be provided and if the need for barrier can be eliminated that opportunity will be taken.

It is likely that the 2016/2017 programme of work in the Fermanagh and Omagh Council area will include the following:

| Road No | Road Name | Scheme |
|----------------|------------------------|--|
| VRS / A5 | Doogary Road, Omagh | Replace substandard VRS with new barrier |

3.3 STREET LIGHTING

3.3.1 Completed Works 2015-2016

Street Lighting

The total number of lights in the district is presently 17,883. Regular outage repair is carried out following in coming reports from the general public via our on line reporting system or the central call centre.

Expenditure on street lighting during 2015-2016, including extra funds received during the year, amounted to £949,145 for maintenance (including £713,647 on energy). Total capital expenditure amounted to £451,431.

Particular mention should be made of the work carried out on Gortin Road, Omagh & Cleenish Park, Enniskillen where an increase in funding near year end allowed commencement or completion of renewal schemes in these areas.

Cleenish Park, Enniskillen

The following capital works were carried out during 2015/2016: -

| SCHEME TITLE | SCHEME DESCRIPTION |
|--|---|
| Summerfield Court, Omagh | Completion of Street Lighting renewal started 2014/15 |
| Breezemount Pk, Omagh | Completion of Street Lighting renewal started 2014/15 |
| Lisanelly Footpath, Omagh | Column, cable & lantern replacement |
| Johnston Park, Omagh | Column, cable & lantern replacement |
| Anderson Garden's Omagh | Street Lighting renewal scheme replacing NIE wood pole lights |
| Oakland Road & Court, Killyclogher | Street Lighting renewal scheme |
| Castletown Road, Mountjoy | Street Lighting renewal scheme |
| Gortin Rd, Omagh | Commencement of column, cable & lantern replacement scheme |
| Edenfel Park, Omagh | Column/cable & lantern replacement |
| Main Street, Trillick | Completion of column & lantern replacement started 2014/15 |
| Fermanagh and Omagh illuminated signs and bollards | Completion of Street Lighting renewal started 2014/15 |
| Mill St, Irvinestown | Commencement of Street Lighting renewal scheme replacing NIE wood pole lights |
| Mill St/Forthill St, Enniskillen | Replacement of cables and some columns |
| Grove Pk, Ederney | Completion of Street Lighting renewal started 2014/15 |

| SCHEME TITLE | SCHEME DESCRIPTION |
|--|---|
| Drumgoon Rd, Maguiresbridge | Low pressure sodium lanterns replaced with LED lanterns |
| Marble Arch Rd, Florencecourt | Low pressure sodium lanterns replaced with LED lanterns |
| Castletown Rd, Monea | Low pressure sodium lanterns replaced with LED lanterns |
| Toura Rd/Rosscor Lane/Lergan Lane, Rosscor | Low pressure sodium lanterns replaced with LED lanterns |
| Carranboy Rd, Lisnarick | Low pressure sodium lanterns replaced with LED lanterns |
| Skea Rd, Arney | Low pressure sodium lanterns replaced with LED lanterns |
| Skea Rd/Granshagh Rd, Culkey | Low pressure sodium lanterns replaced with LED lanterns |
| Mill St/Forthill St, Enniskillen | Replacement of cables and some columns |
| Grove Pk, Ederney | Completion of Street Lighting renewal started 2014/15 |
| Drumgoon Rd, Maguiresbridge | Low pressure sodium lanterns replaced with LED lanterns |
| Lough Yoan Road, Enniskillen | Street Lighting renewal scheme |
| Killynougan Terrace, Tullyhommon | Street Lighting renewal scheme |
| Crocknacreevy, Macken | Street Lighting renewal scheme along with road realignment |
| Killynure Pk/Benaughlin Pk, Enniskillen | Street Lighting renewal scheme replacing NIE wood pole lights and low pressure sodium lanterns replaced with LED lanterns |

SCHEME TITLE**SCHEME DESCRIPTION**

Commencement of Street Lighting
renewal scheme

3.3.2 Planned Work 2016-2017

In the 2016-2017 financial year £210,000 has been allocated for capital street lighting works within the Fermanagh Omagh District Council area. This will be used to continue our general programme of improvement/replacement of older systems.

Opportunity will also be taken to improve street lighting in areas where other street works are planned.

The following street lighting works are currently planned for 2016-2017:

| SCHEME TITLE | SCHEME DESCRIPTION |
|---|---|
| Fermanagh and Omagh car parks | Completion of separation of electrical systems for hand over to Council started 2015/16 |
| Fermanagh and Omagh refuge lights | Lantern replacement with LED lanterns |
| Gortin Rd, Omagh | Completion of column, cable & lantern replacement with LED lanterns commenced 2014/15 |
| Camowen Terrace, Omagh | Street Lighting renewal scheme |
| Festival Pk, Omagh | Additional columns at parking area |
| Sunningdale/Ashley Gdns, Omagh | Street Lighting renewal scheme replacing NIE wood pole lights |
| Watson Pk, Omagh | Street Lighting renewal scheme |
| Fairgreen Gdns/Loughrey Terrace, Drumquin | Street Lighting renewal scheme |
| Kilskeery Village | Street Lighting renewal scheme replacing NIE wood pole lights |
| Irvinestown Rd/Cherrymount Rd, Enniskillen | Column, cable & lantern replacement with LED lanterns |
| Dublin Rd, Enniskillen (Lough Yoan Rd junction) | Column, cable & lantern replacement with LED lanterns |

| SCHEME TITLE | SCHEME DESCRIPTION |
|--|---|
| Cleenish Pk, Enniskillen | Completion of Street Lighting renewal scheme commenced 2014/15 |
| Old Rossorry Rd, Enniskillen | Street Lighting renewal scheme replacing NIE wood pole lights |
| Old Henry St, Enniskillen | Street Lighting renewal scheme replacing NIE wood pole lights |
| Belleek Village | 62 No low pressure sodium lanterns replaced with LED lanterns |
| Mill St, Irvinestown | Completion of Street Lighting renewal scheme replacing NIE wood pole lights started 2015/16 |
| Knockmore Rd, Srcibbagh | Street Lighting renewal scheme replacing NIE wood pole lights |
| Monea Rd, Derrygonnelly | Street Lighting renewal scheme replacing NIE wood pole lights |
| Fairgreen Rd/Caldrum Rd, Derrygonnelly | Street Lighting renewal scheme replacing NIE wood pole lights |
| Knockninny Pk, Derrylin | Street Lighting renewal scheme |

4.0 NETWORK PLANNING

Network Planning Manager: Darren Campbell

He is supported by:

Sean Hackett

Development Control
TransportNI
County Hall
Drumragh Avenue
Omagh
BT79 7AF
Tel: 028822 54121

Email: Sean.Hackett@infrastructure-ni.gov.uk

4.1 Planning Consultations

TransportNI is a statutory consultee to the planning process and in carrying out this role provides specialist advice to the planning authority on roads and transportation related matters associated with proposed development.

Our Development Control Section examines a planning application from a number of different aspects including access to the public road, road safety, transportation, traffic progression and car parking depending on the type of application.

In the past year Development Control Section dealt with 922 planning consultations in the Fermanagh & Omagh District Council area. These range from single dwelling applications to major housing & mixed use retailing applications.

4.2 Private Streets

We have been successful in adopting 8 private streets within developments and a total length of 3.78km has been added to the maintained network in the past year. These include:

Recently adopted development at Hawthorne Grove, Omagh

| Location | Adopted Length |
|--|-----------------------|
| Sandy lane, Enniskillen | 241m |
| Silverhill Manor, Enniskillen 3 Phases | 919m |
| Carnwood Phase 1,Lisnaskea | 182m |
| Railway Park, Maguiresbridge | 471m |
| Hawthorne Grove, Omagh | 75m |
| Burrells Glen, Drumquin | 96m |
| Rash Road Omagh | 710m |
| Donaghanie Road Omagh (New Hospital) | 1090m |

Private Streets - Enforcement

Private Streets Section continues to invoke enforcement proceedings against developers who fail in their responsibility to provide bonds before commencement of work on site. This takes the form of a series of warning letters followed if necessary by enforcement action.

TransportNI will afford a developer every opportunity to fulfil their responsibilities in completing development infrastructure works to an adoptable standard. Where it becomes evident that a developer is either incapable or unwilling to complete the work, TransportNI will consider initiating legal proceedings. This may result in the need for TransportNI to complete the works and recover the costs.

TransportNI has a finite contracting resource at its disposal and given the variation in annual funding levels, the availability of contracting resource to deliver private street enforcement works cannot be assured. In addition, TransportNI has no control over the interests of other stakeholders, primarily Northern Ireland Water (NIW), which impact on the delivery of the completion of adoption works.

Transport NI is undertaking enforcement completion works on:

Gortdale, Omagh

Main Street, Sixmilecross

Sheskinshule View, Greencastle

Killybrack Glen, Omagh

Carnwood Phase 2, Lisnaskea

Spring Meadows, Derrylin

Phoenix Manor, Belleek

Raceview Court, Enniskillen

Sprucehill, Briarshill and Hazelwood, Irvinestown

Kellier Park, Derrylin

Killynure Wood, Enniskillen

Beechwood, Lisnaskea

Carnhill, Irvinestown

It is currently anticipated that enforcement will be initiated during the 2016/17 financial years in respect of:

Castlegrove Omagh

Killybrack Glen Omagh

Drumnaforbe Close Drumquin

Hawthorne House Omagh

Cloverbrae, Enniskillen

Castletown Manor, Monea

Rathfort Crescent Belleek
