**Tests were initially conducted by the Regional Virology Laboratory (RVL) Belfast for all of Northern Ireland. On 30/03/2020, laboratory testing data from the NHSC (testing started 23/03/2020) and from the SHSCT (testing started 28/03/2020) was added. On 10/04/2020, laboratory testing data from the WHSCT (testing started 03/04/2020) was added. This data is accurate at the time of the report but due to processing times, testing numbers may change (e.g. indeterminate tests may be retested with a positive/negative result).*
