

Rural Development Programme 2014 – 2020

Farm Business Improvement Scheme - Capital Tier 1 (Tranche 1)

Annex A - List of Eligible Items

Maximum Amount of Grant Support Payable per Item

Department of
**Agriculture, Environment
and Rural Affairs**
www.daera-ni.gov.uk

'The European Agricultural Fund
for Rural Development: Europe
investing in rural areas'.

Farm Business Improvement Scheme - Capital (FBIS-C) Tier 1 (Tranche 1)

List of Eligible Items Maximum Amount of Grant Support Payable per Item

Pre-approvals

Please use the following links for information regarding regulatory pre-approvals for:

- **Incinerators**

<https://www.daera-ni.gov.uk/publications/approval-and-operation-incineration-plants>

<https://www.daera-ni.gov.uk/publications/animal-products-applications>

- **Sprayers**

<https://www.daera-ni.gov.uk/sites/default/files/publications/dard/pesticide-spray-a4-flyer.pdf>

In all cases the following costs are not eligible expenditure:

- Installation costs.
- Commissioning costs.
- Warranties.
- Consumables.
- Running costs.
- Site works.
- Training costs.
- Computer hardware such as PC, laptop, printer, etc.
- Charges incurred in tendering.
- Professional fees.
- Delivery costs.
- Second hand equipment.
- Interest charges.
- Planning permissions.
- Service and fuel supplies – electricity water, oil, gas, etc.
- Investments relating to non-agricultural animals

The above list of ineligible expenditure is not exhaustive. Please refer to Annex B of the Information Brochure for further details.

A. Environment, Weather Resistance and Climate Change

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
A10	Advanced Fertiliser sower: To include full GPS system with tractor guidance system to facilitate variable rate application, headland /border spreading capability			1	18,650	7,460
A11	Fertiliser sower: capable of connecting to a GPS system with tractor guidance system to facilitate variable rate application, headland /border spreading capability			1	5,535	2,215
A12	Tractor mounted seed drill minimum: width of 3metres, (10ft) minimum 750kg hopper capacity, hydraulic or electro-hydraulic bout markers, metering system. Must be compatible with combined fertiliser drilling			2	29,665	11,865
A13	Small tractor mounted sprayer (Up to 1200L): To include a minimum of boom width of 15 metres (49ft), hydraulic booms, in cab electronic control of each boom section and spray pressure - operators who apply pesticides need to provide evidence of certificate of competence for the use of this machine.			2	13,975	5,590

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
A14	Medium advanced tractor mounted sprayer (1201-1500L): model to include a minimum of capability of connecting to a GPS system with tractor guidance system boom width of 15 metres (49ft), hydraulic booms, in cab electronic control of each boom section and spray pressure - operators who apply pesticides need to provide evidence of certificate of competence for the use of this machine.			1	22,625	9,050
A15	Large tractor mounted sprayer (1500L and over): To include a minimum boom width of 15 metres (49ft), hydraulic booms, in cab electronic control of each boom section and spray pressure - operators who apply pesticides need to provide evidence of certificate of competence for the use of this machine.			2	23,100	9,240
A16	1.83m (6 foot deep roll) - curtain for automatic ventilation systems for livestock buildings (curtain and associated fixtures only)		(priced per metre) Must be purchased in conjunction with A18	2	115	45
A17	2.44m (8 foot deep roll) - Curtain for automatic ventilation systems for livestock buildings (curtain and associated fixtures only)		(priced per metre) Must be purchased in conjunction with A18	2	150	60

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
A18	Automatic variable ventilation system in livestock buildings - To include a minimum of curtain ventilation systems, control panels and roof mounted weather stations. (electric drive motors, control panels, and weather sensors)		To be purchased in conjunction with A16, or A17	2	2,545	1,020
A19	Slurry separator (can be a brushed screen or screw press system)	Slurry separators that produce green bedding		2	30,000	12,000
A20	One passage - automated slurry scraping system			2	4,240	1,695
A21	Two passage - automated slurry scraping system			2	6,640	2,655
A22	Three passage - automated slurry scraping system			2	8,330	3,330
A23	Four passage - automated slurry scraping system			2	10,330	4,130
A24	Slurry tanker (up to 2000 gallon) fitted with a trailing shoe/trailing hose/ dribble bar or shallow injection slurry distribution system (Must include a macerator)	Tanker only		1	20,185	8,075

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
A25	Slurry tanker (2000 gallon and over) fitted with a trailing shoe/trailing hose/ dribble bar or shallow injection slurry distribution system (Must include a macerator)	Tanker only		1	23,330	9,330
A26	Trailing shoe/trailing (up to 7m / 23ft) hose/dribble bar or shallow injection slurry distribution system fitted to an existing tanker or for use with an existing umbilical system (Must include a macerator)	Tanker or umbilical system, Engineer's certificate costs		1	11,000	4,400
A27	Trailing shoe/trailing hose/dribble bar (7m - 9m /23ft-29ft) or shallow injection slurry distribution system fitted to an existing tanker or for use with an existing umbilical system (Must include a macerator)	Tanker or umbilical system, Engineer's certificate costs		1	13,540	5,415
A28	Trailing shoe/trailing hose/dribble bar (10m / 32ft and over) or shallow injection slurry distribution system fitted to an existing tanker or for use with an existing umbilical system (Must include a macerator)	Tanker or umbilical system, Engineer's certificate costs		1	15,100	6,040
A29	Tractor mounted grass/soil aerator (Up to 3m/10ft)			1	2,425	970
A30	Tractor mounted grass/soil aerator (over 3.0m/10ft)			1	4,350	1,740

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
A31	Trailed grass/soil aerator. (Minimum to be over 3m/10ft)			1	7,290	2,915
A32	Sub soiler (Minimum 2 legs)			1	4,675	1,870
A33	Sub soiler (more than 2 legs)			1	7,340	2,935
A34	2,000-4,999gal (9,090-22,725 L) capacity. Rainwater harvesting pre-fabricated covered tank with filter and pump	Tanks for purposes other than collecting and storing rain water		1	5,430	2,170
A35	5,000-7,999gal (22,730-36,365 L). Rainwater harvesting pre-fabricated covered tank with filter and pump	Tanks for purposes other than collecting and storing rain water		1	7,340	2,935
A36	Over 8,000gal (36,370 L) capacity. Rainwater harvesting pre-fabricated covered tank with filter and pump	Tanks for purposes other than collecting and storing rain water		1	8,685	3,475
A37	Global Positioning System (GPS) to include GPS receiver, data logging software, mount, auto steer and Real Time Kinematic (RTK) capability			1	5,890	2,355
A38	Shade and/or thermal screens for glasshouses & polytunnels (grant per square metre)	Plastic covers	min 500sqm) (5382sq ft)	1	5	2
A39	Electronic cow Heat detection system			1	3,910	1,565

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
A40	Cow Heat detection system collars / transponders /pedometers (grant support per collar/transponders/ pedometers)	Electronic ear tags	Min purchase 34 collars	1	77	30
A41	In parlour feeders (to include IT link with the capability to "feed to yield" (support per stall)	Computer software package	5	1	535	215
A42	1 station - Automated out of parlour feeding system (to include IT link with the capability to "feed to yield"	Computer software package		1	4,555	1,820
A43	2 stations - Automated out of parlour feeding system to include IT link with the capability to "feed to yield "	Computer software package		1	7,475	2,990
A44	3 stations - Automated out of parlour feeding system to include IT link with the capability to "feed to yield"	Computer software package		1	10,280	4,110
A45	4 stations -Automated out of parlour feeding system to include IT link with the capability to "feed to yield"	Computer software package		1	13,835	5,535
A46	Milk meter - grant support per milking point		3	1	1,115	445
A47	Robotic slurry scraping device			2	14,015	5,605

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
A48	1 station – with Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer)			1	6,030	2,410
A49	2 stations - Automated calf rearing system that identifies and feeds calves. (milk and/or calf milk replacer)			1	7,750	3,100
A50	3 stations - Automated calf rearing system that identifies and feeds calves. (milk and/or calf milk replacer)			1	10,820	4,330
A51	4 stations - Automated calf rearing system that identifies and feeds calves. (milk and/or calf milk replacer)			1	13,985	5,595
A52	1 station and 1 animal feed dispenser (milk and feed) - Automated calf rearing system that identifies and feeds calves. (milk and/or calf milk replacer and concentrate)			1	8,190	3,275
A53	2 stations and 2 animal feed dispensers - Automated calf rearing system that identifies and feeds calves. (milk and/or calf milk replacer and concentrate)			1	9,380	3,750

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
A54	3 stations and 3 animal feed dispensers - Automated calf rearing system that identifies and feeds calves. (milk and/or calf milk replacer and concentrate)			1	11,370	4,545
A55	Milk plate cooler system to include water storage tank (at least 220 gal (1000 L in capacity)			2	2,700	1,080
A56	Dairy unit heat exchanger (Heat recovery capacity up to 88 gal/400L)			2	2,865	1,145
A57	Dairy unit heat exchanger (Heat recovery capacity over 88 gal/400 L)			2	5,585	2,235
A58	Automated animal identification system allowing identification of individual animals			1	11,085	4,435
A59	Animal identification collars / pedometers / transponders (grant support per identifier)		36	1	71	28
A60	Heat pads for pig farrowing and weaner accommodation (single space only)		18	2	145	57
A61	Circular multi-space- Ad lib feeders for growing and finishing pigs (Wet and dry feeders)		8	2	320	130

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
A62	Single / multi-space -Ad lib feeders for growing and finishing pigs (Wet and dry feeders)		15	2	175	70
A63	Ventilation Fan to include rigid chimneys, inlets & inverter / controller		3	1	1,230	495
A64	Poultry canopy brooder (per 1000 birds)	Incubators	16	1	165	66
A65	Pan Feeding system for Broilers (per m)		Min spend 83 metres	1	29	12
A66	Auger / chain Feeding system for layers (per 1000 birds)		3	1	1,065	425
A67	Fan assisted radiators for connection to a hot water system (poultry house only)			1	2,755	1,100
A68	Compact fungicide applicator on potato/vegetable planter (Dust or liquid, 2 to 4 rows)			1	4,180	1,670
A69	Horticultural transplanting machine			1	29,675	11,870
A70	Tractor mounted seed drill for Horticulture			2	21,455	8,580
A71	Plant potting machine			2	25,645	10,260

B. Animal and Plant Health

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
B10	Perforated rubber slat mat. Grant support per square metre		50 square metres	1	49	20
B11	Solid rubber mats for hard surfaced areas Grant support per square metre		63 square metres	2	40	16
B12	8 – 15.5 tonnes single chamber - Vermin proof bulk feed bin galvanised or fibreglass			3	2,435	975
B13	8 – 15.5 tonnes split chamber - Vermin proof bulk feed bin galvanised or fibreglass			3	3,445	1,375
B14	8 – 15.5 tonnes single chamber with auger/gantry - Vermin proof bulk feed bin galvanised or fibreglass			3	5,155	2,060
B15	8 – 15.5 tonnes split chamber with auger/gantry Vermin proof bulk feed bin. galvanised or fibreglass			3	6,175	2,470
B16	16 – 29.5 tonnes single chamber Vermin proof bulk feed bin galvanised or fibreglass			3	3,780	1,510
B17	16 - 29.5 tonnes split chamber - Vermin proof bulk feed bin galvanised or fibreglass			3	5,405	2,160
B18	16 – 29.5 tonnes single chamber with auger/gantry. Vermin proof bulk feed bin galvanised or fibreglass			3	5,565	2,225

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
B19	16 – 29.5 tonnes split chamber with auger/gantry Vermin proof bulk feed bin galvanised or fibreglass			3	6,880	2,755
B20	30 tonnes and over single chamber - Vermin proof bulk feed bin galvanised or fibreglass			3	4,660	1,865
B21	30 tonnes and over split chamber - Vermin proof bulk feed bin galvanised or fibreglass			3	6,365	2,545
B22	30 tonnes and over single chamber with auger/gantry Vermin proof bulk feed bin galvanised or fibreglass			3	7,180	2,870
B23	30 tonnes and over split chamber with auger/gantry Vermin proof bulk feed bin galvanised or fibreglass			3	8,485	3,395
B24	Motorised roller shutter doors - Vermin proofing of Agricultural and Horticultural buildings to allow 3m wide tractor access. Grant support per square metre	Motorised roller shutter doors on machinery sheds and non agricultural buildings	34 square metres (Min width of door 3m to allow tractor access)	2	72	29
B25	Automated vehicle disinfectant wheel spray system for biosecurity			2	4,050	1,620

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
B26	Trailed, 220 gal (1000L), axial fan, broadcast type air-assisted nozzle sprayer for orchard crops - operators who apply pesticides need to provide evidence of certificate of competence for the use of this machine.	Single fluid boom sprayers without air assistance fan / compressor		2	8,290	3,315
B27	Trailed, 220 gal (1000L), tower fan broadcast type air-assisted nozzle sprayer for orchard crops - operators who apply pesticides need to provide evidence of certificate of competence for the use of this machine.	Single fluid boom sprayers without air assistance fan / compressor		2	9,685	3,875
B28	Trailed, 330 gal (1500L), axial fan, broadcast type air-assisted nozzle sprayer for orchard crops - operators who apply pesticides need to provide evidence of certificate of competence for the use of this machine.	Single fluid boom sprayers without air assistance fan compressor		2	10,955	4,375
B29	Net washer to automatically roll up and wash mushroom growing nets			2	6,460	2,585
B30	Winch with adjustable speed to match compost filling machine for pulling net full of mushroom compost onto Dutch shelving			3	17,510	7,005
B31	Fibreglass/Plastic - Calf Igloo to include pen and associated fixtures and fittings (minimum capacity 6 calves)		2	3	1,315	525

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
B32	Vehicle mounted straw chopper			3	6,760	2,705
B33	Trailed straw chopper			3	13,275	5,310
B34	Automatic feed passage push equipment			2	4,950	1,980
B35	Robotic Feed passage push equipment			2	13,775	5,510
B36	Automated cattle foot dip with pumped flow and recirculation system			2	3,995	1,600
B37	Automatic cluster remover. Grant support per milking point		4	2	755	305
B38	Cow cubicles with associated fixtures and fittings	Precast cubicle beds	45	2	56	22
B39	Cow mattresses. Grant support per cow space		29	2	88	35
B40	Cow cubicle mats (17 – 25 mm). Grant support per cow space (17 to 25mm)		63	3	40	16
B41	Cow cubicle mats (26 to 35mm) Grant support per cow space		36	3	70	28
B42	Cow cubicles AND Cow mattresses. Grant support per cow space		18	2	145	57

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
B43	Cow cubicles AND cow cubicle mats (17 – 25 mm). Grant support per cow space (17 to 25mm)		27	3	96	38
B44	Cow cubicles AND cow cubicle mats (26 to 35mm). Grant support per cow space		20	3	125	50
B45	Milk cluster flushing system. Grant support per milking point		4	3	570	230
B46	Vehicle mounted bedding dispenser attachment			3	5,205	2,080
B47	Pig farrowing crate to include associated fixture and fittings		9	2	300	120
B48	Sow free access voluntary cubicles to include associated gates and fixtures		18	2	140	56
B49	Insulated bonded wall panels for pig housing – Grant support per square metre	Spray foam insulation	33 square metres	1	79	31
B50	Ceiling panel for pig housing with power washable coating (minimum 50-mm depth, grant support per square metre)		77 square metres	1	33	13
B51	Insulated filled wall divider board for pig housing (40mm and over) plus edge strips. Grant support per square metre		63 square metres	1	40	16

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
B52	Up to 450 kgs - Small capacity farm incinerator (Capable of handling poultry only) <50kg/h burn rate – Daera Veterinary Service pre approval required	Industrial Incinerators >50kg/h burn rate		3	7,785	3,115
B53	From 450 – 999kgs Medium capacity farm incinerator (Capable of handling small volumes of pig cadavers and poultry) <50kg/h burn rate - rate – DAERA Veterinary Service pre approval required	Industrial Incinerators >50kg/h burn rate		3	15,120	6,050
B54	Over 1tonne - Large capacity farm incinerator (For larger pig herds) <50kg/h burn rate – DAERA Veterinary Service pre approval required	Industrial Incinerators >50kg/h burn rate		3	22,400	8,960
B55	PVC pen divisions/panels for pig housing. Grant support per square metre		59 square metres	3	41	17
B56	Nipple line for poultry housing. Grant support per metre		167 metres	2	16	6
B57	Auto poultry weigher with pad or perch		2	2	1,275	510
B58	Poultry housing ventilation control panel			1	2,970	1,190
B59	Plant/weed gas burner			3	18,565	7,425

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
B60	New double boundary fence – 2 permanent stockproof fences with a gap of not less than 2m between them to improve bio-security. Posts must be at least 6ft and must have a minimum 15 year life, guaranteed by the manufacturer (grant support per metre)		209 metres	3	12	4.80/m

C. OCCUPATIONAL HEALTH AND SAFETY

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
C10	Portable sheep handling unit -to include a minimum of guillotine gate, shedding gate, race, footbath and collection pen	Individual sheep Hurdles / gates not part of the unit		3	2,550	1,020
C11	Portable sheep handling unit with turnover crate - to include a minimum of guillotine gate, shedding gate, race, footbath and collection pen	Individual sheep Hurdles / gates not part of the unit		2	3,201	1,280
C12	Portable sheep handling unit with weighbridge and turnover crate - to include a minimum of guillotine gate, shedding gate, race, footbath and collection pen	Individual sheep Hurdles / gates not part of the unit		1	3,855	1,545

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
C13	EID Sheep Race reader, electronic weighbridge and associated software	Individual sheep Hurdles / gates not part of the unit		1	4,600	1,840
C14	Mobile galvanised cattle crush. To include a minimum of: weighing platform or loadbars, adjustable crush gate / yoke, rear gate ratchet rump bar			1	3,090	1,235
C15	Mobile galvanised hoof trimming cattle crush. To include a minimum of: adjustable crush gate/ yoke, rear gate, moveable side access, ratchet rump bar, hoof trimming winch and support			1	3,485	1,395
C16	Bale splitter (must be able to retain plastic bale cover)	Buckrakes & vehicle mounted shear grabs		3	2,540	1015
C17	Round Bale unroller			3	4,610	1845
C18	Livestock trailer (minimum 8ft body length) (2.4m) aluminum/galvanised, to include a minimum of: full roof cover, slip resistant and effluent retaining floor, ventilation openings, side ramp gates, inspection door, brakes and lights	Horse Boxes		2	3,000	1,200

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
C19	Livestock trailer (minimum 8ft body length including sheep decks) (2.4m), aluminum/galvanised, to include a minimum of: full roof cover, slip resistant and effluent retaining floor, ventilation openings, side ramp gates, inspection door, brakes and lights	Horse boxes		2	3,680	1,470
C20	Livestock trailer (10 - 13 ft body length) (3.05m - 3.96m), aluminum/galvanised, to include a minimum of: full roof cover, slip resistant and effluent retaining floor, ventilation openings, side ramp gates, inspection door, brakes and lights	Horse boxes		2	4,015	1,605
C21	Livestock trailer (10 - 13 ft body length including sheep decks) (3.05m – 3.96m), Aluminum/galvanised, to include a minimum of: full roof cover, slip resistant and effluent retaining floor, ventilation openings, side ramp gates, inspection door, brakes and lights	Horse boxes		2	5,225	2,090
C22	Livestock trailer (14ft and over body length (4.3m and over), aluminum/galvanised, to include a minimum of: dividing gates, full roof cover, slip resistant and effluent retaining floor, ventilation openings, side ramp gates, inspection door, brakes and lights	Horse Boxes		2	4,655	1,865

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
C23	Livestock trailer (14ft and over body length including sheep decks) (4.3m and over), aluminum/galvanised, to include a minimum of: dividing gates, full roof cover, slip resistant and effluent retaining floor, ventilation openings, side ramp gates, inspection door, brakes and lights	Horse Boxes		2	5,915	2,365
C24	Mobile cattle crush run			2	6,000	2,400
C25	Slurry pump for outside mixing point			3	2,865	1,145
C26	Up to 4.5m width - Over seeder for introduction of clover /grass seed into swards for renovation			1	4,000	1,600
C27	Over 4.5m width - Over seeder for introduction of clover/grass seeds into swards for renovation			1	7,715	3,085
C28	Minimum 1.8m width - Yard sweeping brush with collection box			2	2,495	1,000
C29	Generator to include a minimum of: (50-100kVA) output, automatic mains failure control and weatherproof acoustic silencer canopy			2	9,460	3,785
C30	Generator to include a minimum of: (125-160kVA) output, automatic mains failure control and weatherproof acoustic silencer canopy			2	14,900	5960

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
C31	Internal plant transport - Mobile benching (grant support per square metres)		36 square metres	3	69	28
C32	Horticulture - Conveyor units			3	2,535	1,015
C33	Apple bin tipper			2	9,280	3,710
C34	Apple bin filler			2	12,110	4,845
C35	Emptying / Filling Conveyor (Mushrooms)			2	14,775	5,910
C36	Automated cattle shedding gate, associated controls and software			2	8,770	3,505
C37	Sow service cubicles to include trough, drinker and associated gates		12	2	221	89
C38	Cross conveyor for egg collection			3	7,750	3,100

D. PRODUCTION AND RESOURCE EFFICIENCY

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
D10	Diet feeder with weighing system (up to 12 cubic metres)			3	13,385	5,355
D11	Diet feeder with weighing system (from 13 to 17 cubic metres)			3	20,340	8,135
D12	Diet feeder with weighing system (18 cubic metres and over)			3	26,750	10,700
D13	Topper – offset (minimum width 1.5m/5ft.)			3	3,205	1,280
D14	Reed/rush control mulcher			3	5,370	2,150
D15	Vehicle mounted weed wiper/lick	Sprayers / weed wipers / licks for use with Quads / ATVs		3	2,625	1,050
D16	Pedestal crop ventilation column with fan		4	2	785	315
D17	Over 200T - Potato store ventilation system with refrigerated cooling			2	20,275	8,110
D18	Mobile grain drier. Minimum 9T capacity	Additional conveyors/ augers Fuel storage		2	30,000	12,000

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref. Price £	Maximum Grant Support £
