Notes

1. Does not include £162.73m of support to External Delivery Organisations or universities, which contributes towards £430.42m of investment and 49 promoted jobs, as this benefits businesses across all of NI.

2. Totals may not add as a business can be supported in more than one year and can move from local to externally-owned during the 5 year period.

3. Jobs Promoted are jobs that businesses plan to create in coming years. Jobs Created are already in place. It is not possible to directly compare the two.
