Northern Ireland Made for Golf

Northern Ireland is huge in the golf world. It's amazing a region so small can produce so many world-class golfers. And our courses are well above par too. We've got some of the best in the world and over 90 in total, all somehow squeezed into about 5,460sq miles of lush landscape.

It means this place really excites golf visitors. And we should all be excited about that. Golf tourism drives money into local businesses and our economy. It brings in £33m per year at the moment and even bigger numbers are expected very soon.

Golf events

Two massive tournaments are about to bring golf fever to the fore in Northern Ireland. Over the next two years, we will host the Dubai Duty Free Irish Open 2017 at Portstewart, the Northern Ireland Open at Galgorm Castle, The Open at Royal Portrush in 2019, and lots of top amateur events.

They will tee-up major celebrations around Northern Ireland golf and Northern Ireland in general. We will be the centre of the golfing world for a while. All eyes will be on us. So let's all give them a show to remember.

A huge 2019

The biggest hitter in this golf-fest will be The Open Championship at Royal Portrush in 2019. This is a hole-in-one for Northern Ireland. It's the first time in almost 70 years this iconic tournament has visited Northern Ireland, and it will be the biggest sporting event in our history. The famous competition is the oldest Major in the world and the only one held outside the US. It doesn't get any bigger than that. So let's really savour this and make the most of every opportunity it brings.

Tee it up for golf visitors

Let's give golf visitors the round of a lifetime in Northern Ireland. When we go the extra mile as hosts, our golfing guests hurry back. And they encourage their golf-crazy friends to visit too. That means more visits and more customers each year, helping us reach our target of £50m by 2020.

How can I help my golfing guests?

Know the events

Golf visitors will appreciate a little local help when they arrive, so going that extra yard will not only help our guests, it will help reinforce why Northern Ireland is Made For Golf. Do a little research on event ticket details, tee-off times, players, facilities and transport so you become their go-to destination for info.

Know the courses

Everybody looks for a little insider-info. And golfers want to know about courses more than anything else. So find details about our famous courses and your local gems. They'll want to hear about yardage, signature holes, facilities, booking methods and the clubhouse.

Know the '19th hole'

Pointing visitors towards the top local bars and restaurants is always a great way to enhance their golf getaway. The more you can offer, the more guests will recommend you to fellow golf fans they meet.

The Northern Ireland Brand

The brand logo variants

See the full guidelines document on the Northern Ireland Brand for in-depth guide to using this brand.

The brand style is achieved by sectioning the layout using a large hexagon.

The Northern Ireland brand captures the most compelling aspects of Northern Ireland by focusing on who we are, what makes us different and what we stand for.

The brand is a reflection of Northern Ireland at its best, and feels authentic to its people. It also provides a guide as to how we can further develop and make ourselves even more distinctive and appealing.

The hexagonal shape immediately grounds the logo in something proprietary to Northern Ireland, i.e. The Giant's Causeway, reinforced by the use of the distinctive Northern Ireland typeface. The effect is to create an iconic brand identity which is instantly recognisable as ours across all designed material.

The Golf Tourism sub-brand

The golf sub-brand is based on the Northern Ireland brand with the addition of the 'pin flag' design and the 'Made for Golf' strapline.

The logo may appear in any colour from the standard palette seen in the pin flags, or as a white reversal when used on a colour or image.

To support the standard logo there is also a simplified logo for use on occasions where it would not be practical to use the standard logo.

The exceptional logo may be used in black, white, or any colour from the pin flag palette.

This logo is used for very small media such as printing on pens, small digital formats and for maximum visibility on sports hoardings at events.

The 'pin flag' colour palette is taken directly from the colours of the logo. This palette forms the basis of all designs done under the pin flag style.
