Meet the Buyer 2017

I am delighted to welcome you to the Meet the Buyer workshop in Northern Ireland to experience first-hand why this compact destination is experiencing increased visitor demand. We are grateful to our partners Tourism Ireland who have built up relationships with our visiting buyers in market, and we are delighted to see so many returning to discover more, as well as welcoming many new faces.

Tourism in Northern Ireland is a fast developing success story and is on its way to becoming a £1 billion pound industry by 2020.

We continue to gain accolades in leading publications across the globe as a must see destination. Our visitor experiences include the world's leading tourist attraction, Titanic Belfast, outstanding golf, and a screen tourism offering linked to the world's most popular television show Game of Thrones®. All of this sits alongside our built heritage, culture, beautiful landscapes, and exhilarating activities and has led to record visitor numbers in recent years.

In 2016 we delivered the Year of Food and Drink which was a resounding success. Going forward we are delighted that we continue to see exciting new tourism products coming on stream, including Hillsborough Castle, HMS Caroline and the Seamus Heaney Homeplace, all of which are now open to the public.

I would like to take this opportunity to thank you for attending the workshop and hope that Northern Ireland's visitor offering inspires you and provides a building block on which we can spread the news about what we have to offer the world.

E-Mail: gruppen@gaeltacht.de

Web: www.ebzirland.de

One of the biggest German group tour operators specialising in Ireland and Northern Ireland for more than 33 years.

We are "different": no classical, typical (sightseeing) tours. But we are involved in educational/cultural and religious group travel projects, tours, seminars, conferences which we organise – with a clear European/ cultural / political approach.

We do a lot for the Causeway Coastal route, the Wild Atlantic Way and the other rural regions which we prefer. Close co-operation with www.irland-journal.de and with www.gaeltacht.de. Gaeltacht and EBZ Irland work together. So it is possible that we (Markus Dehm & Christian Ludwig) might exchange the appointments a little bit – and swap if necessary.

Web: www.gaeltacht.de

Gaeltacht is one of the big players for Ireland in Germany – since more than 33 years - but is and works very differently to others. Gaeltacht's clients stay longer and visit more (western and northern) regions than average. With the quarterly www.irland-journal.de we published a 100 page brochure on both: Causeway Coast Route and Wild Atlantic Way. Will publish a new book series on this starting in early summer 2017. Gaeltacht brought approx. 20.000 pax to Ireland last year but mostly no real pre-booked packages. We advise people what to do and where to go: rural (and green) tourism is a big issue. Our individuals go for B&B and Selfcatering mostly and travel very independently. They depend also on printed material, not only on Web or APPs – and we also.

PS: Gaeltacht Irland Reisen is clearly related to EBZ Irland - our of group department.
