Year 2015

Size of Increase: 130

Legal Services Agency became part of the NICS

^{*} Over the period 2000-2015 several parts of the NICS changed their status and ceased to be part of the civil service; in addition, NICS staff on secondment to the Police Service of Northern Ireland (PSNI) ceased to be civil servants and became PSNI employees. Increases in the latter years are due to the devolution of Policing and Justice and the subsequent inclusion of Prison Grade Staff. Legal Services Agency and the Planning Office staff previously of DOE also contribute to the fluctuation in numbers. The table to the right lists the years in which the main changes occurred, and the approximate increase/decrease in NICS staff as a result.

Background Notes

Concepts and Definitions

The Northern Ireland Civil Service (NICS)

- 1. The NICS is the civil service of the devolved administration. It includes staff working in the 9 Northern Ireland ministerial departments and staff working in the Public Prosecution Service for Northern Ireland (which is a non-ministerial Government department). Civil servants in the Health and Safety Executive for Northern Ireland, the Office of the Attorney General for Northern Ireland and the Historical Institutional Abuse Inquiry Team are also shown.
- 2. In May 2016 the number of Northern Ireland ministerial departments was reduced from twelve to nine. This was achieved by reallocating and transferring some departmental functions. To enable comparison with previous quarters, for figures prior to 9 May 2016, each member of staff has been reallocated to one of the new departments. While every effort has been made to reassign each member of staff's department accurately, the complexity of the restructuring is such that figures for previous quarters (based on the new departments) should be considered indicative only.

Coverage of NICS Staff

3. Figures relate to employees with an employment contract who are being paid by the Organisation. Employees can be permanent, on a fixed-term contract or employed on a casual basis. Self-employed, contract workers and agency workers are excluded. Staff on career breaks or on secondment outside the NICS are also excluded.

Permanent and Temporary/Casual staff

4. Permanent employees are employees with a contract with no agreed expiry date or a fixed-term contract of more than 12 months. Temporary/casual employees are those with a fixed term contract of twelve months or less, or employed on a casual basis.

Headcount Figures

5. Headcount figures count each employee as one member of staff, irrespective of whether they work full or part-time.

Full-time Equivalent (FTE) Figures

6. FTE figures are calculated by expressing each part-time employee's hours as a proportion of a full time employee's hours. Thus, for example, someone working 18.5 hours per week counts as 0.5 staff, since a full-time employee is considered to work 37 hours per week.

Full-Time and Part-Time Staff

7. Full-time staff are employees who are considered to work 37 hours per week and so have an FTE of 1.0. Part-time staff have an FTE of less than 1 and represent staff who over the course of a year work an average of less than 37 hours per week. As such, job share and term time staff are deemed to be part-time.

8. Names and abbreviations of Departments

| Name | Abbreviation |
|--|--------------|
| Department of Agriculture, Environment and Rural Affairs | DAERA |
| Department for Communities | DfC |
| Department for the Economy | DfE |
| Department of Education | DE |
| Department of Finance | DoF |
| Department of Health | DoH |
| Department for Infrastructure | Dfl |
| Department of Justice | DoJ |
| The Executive Office | TEO |
| Public Prosecution Service for Northern Ireland | PPS |

Analogous Grade Levels

Each grade in each occupational group has an associated grade level. The titles of the grade levels are actual grades in the General Service; in other occupational groups the grade names would be different. The table below lists the grade levels in descending order of seniority.

| Grade Level | Abbreviation |
|--|--------------|
| Grade 5 (Assistant Secretary) and higher | G5+ |
| Grade 6 (Senior Principal) & Grade 7 (Principal) | G6/G7 |
| Deputy Principal | DP |
| Staff Officer | SO |
| Executive Officer I & Executive Officer II | EOI/EOII |
| Administrative Officer | AO |
| Administrative Assistant | AA |

Voluntary Exit Scheme

9. The NICS launched a Voluntary Exit Scheme (VES) in March 2015. The first tranche of staff to leave under the scheme did so at the end of September 2015 with subsequent tranches leaving at the end of November 2015, January 2016 and March 2016. The final tranche left at the end of May 2016. Details on the VES may be found at https://www.finance-ni.gov.uk/topics/working-northern-ireland-civil-service/nics-voluntary-exit-scheme.

Information on Quality

Relevance to users

10. The consultation with key stakeholders indicated that both the coverage and content are appropriate to the needs of users.

Accuracy

11. Coverage of staff is 100%. The main computer system¹ from which the data are extracted is also used to pay staff.

Accessibility and Clarity

12. The bulletin is available on the NISRA website. It contains a description of the staff covered, and definitions of the terms used. Stakeholder consultation on an illustrative draft of the report was generally very positive in respect of clarity and accessibility.

Assessment of User Needs and Perceptions

13. When this publication was first being developed, we conducted a consultation with key stakeholders, including NICS Corporate HR, the Economic and Labour Market Statistics User Group, and the Statistics Advisory Committee. Responses to the illustrative draft in the consultation were generally favourable; specific suggestions have been taken on board where feasible.

Performance, Cost and Respondent Burden

14. The operational cost (staff time) of producing each issue of the bulletin is approximately £1000. There is no respondent burden, since the data are held on an administrative system.

Confidentiality, Transparency and Security

15. Data are held on a network that is only accessible to the few statisticians who need access.

¹ Run by HRConnect, the Human Resource Service for the NICS. There is a separate system covering the Northern Ireland Prison Service.
