INTERVIEWER READ OUT

Good morning/afternoon/evening. My name is [XXXX] and I work for the independent market research company Social Market Research. We are conducting a survey on equality issues. I'd be grateful if you would take part in the survey and give your opinion.

The questionnaire is not time consuming or difficult and it is not a test of your knowledge. There are no right or wrong answers! Your honest opinion is what matters.

For your peace of mind, we adhere to the Market Research Code of Conduct, and anything you say is confidential. Under no circumstances will your answers be linked to your name.
