Post-Primary Schools Annual Area Profile

This document provides data for all post-primary schools in the Education Authority set out by District Council area. Northern Ireland wide data is provided first. This is then followed by data set out District Council. The data, with the exception of the first preference data and the 2014/15 budget information, was provided to the Education Authority by the Department of Education

Note:

VG and GMI Schools are not reported on in the same way as schools with an ELB/ Education Authority Funding Authority. The same accounting policies are not used by all VG or GMI schools and their cumulative surplus/deficit figures reflect differing levels of non-public funds. This means that the cumulative surplus/deficit of VG and GMI schools cannot be compared on a like for like basis with each other or with those of ELB schools. There are therefore no financial entries for these schools in the individual profiles. These schools have been “Deemed financially viable by the Department of Education”
