Notes:

- Waiting list figures are validated weekly by operational staff.
- Table 1(a) excludes Visiting Consultant Waiters.
- Right hand columns refer to the total number of patients waiting in the Trust over 13 weeks, and also the longest wait for an operation within a particular specialty as at month end.
- Patients are grouped into weeks waiting, i.e. 52 weeks equals 364 – 370 days. Patients waiting >52 weeks (364 – 370 days) will therefore be included in the 52 week group. Only those patients waiting exactly 52 weeks in this column are not breachers
