

THE ELECTORAL OFFICE FOR NORTHERN IRELAND

BUSINESS PLAN 2020 - 2021

FOREWORD

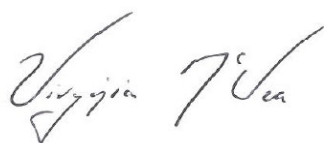

This Business Plan sets out the work planned for the period 1 April 2020 to 31 March 2021.

We are currently experiencing unprecedented changes to working life in response to Coronavirus Covid 19 and this plan has been reworked to take account of present and as far as possible anticipated circumstances in the business year.

The Coronavirus Act 2020 postponed the Canvass for Northern Ireland from 2020 to 2021. This will then be just in advance of the planned NI Assembly elections in 2022. The emergency statutory provision also legislated to ensure elections would not be inappropriately held during the emergency period.

With such massive changes to our own planning and indeed our day to day lives I thank our staff for their response to this challenge and continued determination to provide the best service possible to the people of Northern Ireland.

I would also express our hope that in the months ahead we would find long term answers to this present danger which has already caused so much suffering.
