About the General Teaching Council for Northern Ireland

The Council is the self-regulatory professional body for teachers in Northern Ireland. It is dedicated to enhancing the status of teaching and promoting the highest standards of professional conduct and practice. If you wish to teach in a grant-aided school in Northern Ireland you must be registered with the Council.

Established by the Education (Northern Ireland) Order 1998, the Council has a membership of 33, the majority of whom are teachers. The Council's responsibilities are as follows:

- the registration of teachers and the approval of teacher qualifications;
- the development of a Code of Values and Professional Practice for the profession;
- disciplinary functions relating to professional conduct; and
- the provision of advice to the Department of Education and Employing Authorities on: the education, career development and performance management of teachers;
  - standards of teaching;
  - registration issues;
  - standards of conduct for teachers; and
  - other issues such as may be determined by the Department of Education.

The Council is a unique coalition of the profession and other partners with an interest in the education service. It is funded by the annual registration fees paid by teachers.

The Register of Teachers

The information that the Council is able to hold on its 'Register' is determined by Schedule One of the General Teaching Council for Northern Ireland (Registration of Teachers) Regulations (Northern Ireland) 2004.

Introduction to this Digest of Statistics

This is the eleventh annual digest of statistics (the Digest) produced by the Council; it presents information extracted from the Register, which is an important and unique data source. The fields that have been selected for the Digest are those which are considered to have a high level of accuracy and completeness.

Data Definitions and Assumptions

The Digest tables have been generated from teacher record data as of the 31st March 2016. The following assumptions apply to all tables in the Digest:

- the figures count actual teachers and not full-time equivalents;
- substitute/supply teachers are only counted once; and
- the number of registered teachers is 'real time' and can go up or down, depending on new registrations and deregistrations.

As of the 31st March 2016, some 26,749 teachers were registered with the Council, and tables 1.0 to 1.3 analyse these teachers by age and gender. Of the 26,749 registered, 20,162 are employed on permanent or temporary (one term or more) contracts in grant-aided schools. It is important to emphasise that this figure does not include peripatetic teachers or teachers working in a substitute/supply capacity. These 20,165 teachers have been analysed, see tables 2.0 to 2.7, in terms of age, gender, school sector and school management type.

In addition to information about registered teachers, specific statistics relating to principals has been included, see tables 3.0 to 3.8.

The management and publication of all information from the Council's Register is in keeping with Data Protection legislation and safeguards against the publication of data about individuals.

In accordance with the UK Statistics Authority Code of Practice for official statistics and to ensure that official statistics do not reveal the identity of an individual or organisation or any private information relating to them, the following symbols are used where appropriate in the tables throughout the Digest:

< = Relates to fewer that 5 cases.

= Number (5 or more) suppressed to prevent disclosure of small numbers elsewhere.
