Port charges on ships

Charges are based on Gross Tonnage, ascertained in accordance with the requirements of the International Convention on Tonnage Measurement of Ships 1969.

Charges are payable at a rate appropriate to either the inward or outward voyage, whichever is the greater.

A ship on which the appropriate charge has been paid and which is obliged from stress or weather or other sufficient cause after leaving the Port to return with the same cargo and which does not break bulk or load additional cargo is exempt from payment for the second entry.

Interpretation

In this schedule:

- (i) "ship" includes every description of vessel used in navigation
- (ii) the charges are "ship dues" for the purposes of the Harbours Act (Northern Ireland) 1970
- (iii) "EEA" means member states of the European Economic Area. In the event the UK exits the EU/EEA, ships with a UK port of origin or final destination in the UK will continue to be charged at the EEA rate.

Class of Ship	Gross Tonnage Charge per Ton (pence)
1. On every ship from a port of origin, or to a port with a final destination within the EEA, save for the exceptions listed below:	50.630
2. On every ship from a port of origin, or to a port with a final destination outside the EEA, save for the exceptions listed below:	86.043

Exceptions	
a) On every ship carrying crude or refined oils only in bulk Conventional Tankers	
(i) Ships under 5,000 tons gross	51.128
(ii) Ships 5,000 tons gross or over	89.102
b) On every ship, excluding crude and refined oil tankers, from a port of origin outside the EEA which shall not part discharge cargo to an extent exceeding 40% of the Gross Tonnage of the ship and shall not load any cargo or vice versa (70% of 2. above)	60.230* <small>*Subject to application in writing by the ship owner or its appointed agent. (rates@belfast-harbour.co.uk)</small>
c) On every ship entering the Port for repairs only:	
(i) For the first 25,000 tons gross	30.761
(ii) For every ton thereafter	14.622
d) On every ship carrying containers operating EEA services only	30.786
e) On every ship entering the Port in distress, or to bunker only, or for stores to enable her to proceed to her original destination, and neither discharging nor loading cargo for trading purposes	29.423
f) Roll-on/Roll-off ship	Priced on application**
g) Cruise liner	Priced on application**
h) Pleasure craft	Priced on application**

** Applications should be made in writing by the ship owner or its appointed agent to rates@belfast-harbour.co.uk

Port charges for berth occupancy

Trading vessels

Trading ships which remain in the Port 12 hours after the completion of cargo discharge and/or after the expiration of 7 days from the date of arrival are charged (in addition to the appropriate Ships Charge) in respect of any additional time as follows:

Gross tonnage per ton per week or part thereof (pence)	
Ships fitting out or undergoing repairs	4.310
All trading vessels	8.710

Non-trading vessels

All non-trading ships which enter the Port are charged from the day of arrival (in addition to the appropriate ships charge) as follows:

Gross tonnage per ton per week or part thereof (pence)	
All non-trading vessels	20.00

Note:

- All charges for berth occupancy (trading and non-trading vessels) are subject to minimum charge of £300 per week

25m	£1,020.00

Port charges on ship generated waste

Belfast Harbour Commissioners are required by law as a Port Authority to levy a compulsory ship generated waste charge under the Merchant Shipping and Fishing Vessels (Port Waste Reception Facilities) Regulations 2003.

Notes:

These Regulations do not apply to:

- (a) Any warship, naval auxiliary or other ship owned or operated by a State and used, for the time being, only on government non-commercial service
- (b) Fishing vessels
- (c) Recreational craft authorised to carry, or designed to carry, no more than 12 passengers.

Vessels which provide evidence of a valid waste exemption certificate are exempt from paying this charge.

24 hours notice of waste on board and for discharge must be notified to Port Operations on the Waste Declaration or the vessels will be in breach of the regulations.

The charge covers (i) Galley Waste and (ii) Garbage. Other categories of waste i.e hazardous waste, as noted on the Waste Declaration should be handled by Contractors appointed by the Ship Agent, who will deal with the Contractor's costs.

Details of waste reception facilities can be obtained from Port Operations - portops@belfast-harbour.co.uk

Charges are based on Gross Tonnage, ascertained in accordance with the requirements of the International Convention on Tonnage Measurement of Ships 1969.

Pilotage charges

Pilotage directions

These Pilotage Directions are laid down by the Belfast Harbour Commissioners in pursuance of their obligations under Section 7 of the Pilotage Act 1987 to provide pilotage in the Port of Belfast and its approaches.

Limit of compulsory pilotage area

1. Compulsory pilotage will apply to all ships navigating inside the Port limits, i.e. inside an imaginary line joining Grey Point and Carrickfergus Castle, subject to the following exemptions:

- (a) Ships under 75m in overall length
- (b) Ships 75m and above, but under 100m in overall length navigating in the outer harbour, i.e. to seaward of No.12 Pile
- (c) HM ships and foreign warships
- (d) General Lighthouse Authority tenders
- (e) Ships which are moving from one berth to another within a dock or within the same channel
- (f) Ships navigating to or from Carrickfergus Harbour

2. The exemptions contained in sub-sections 1. (a) and (b) will not apply to:

- (a) Ships with a Passenger Certificate
- (b) Ships carrying hazardous cargoes in bulk
- (c) Ships in ballast which are not gas free
- (d) Ships not fitted with a working radar installation when due to fog, mist, falling snow or heavy rainstorm, or any other similar causes, visibility is less than 2.5 cables
- (e) Ships or their tows, if any, having any one of the following defects:
 - (i) are unseaworthy in any respect, or
 - (ii) have defects to main engine, steering gear or auxiliary machinery which may affect the manoeuvring of the ship, or
 - (iii) have inoperable capstan, windlass, mooring winches or anchors that are not cleared or ready for use, or
 - (iv) have a list of over 5 degrees, or are excessively out of trim, or
 - (v) have any hull or machinery damage which may affect the safety of the ship or the containment or safety of the cargo or bunkers

3. The Harbour Master may temporarily suspend any of these directions from time to time, without notice, as, in his opinion, may be necessary.

NOTES - Interpretation

For the purposes of this Schedule:

- (i) "Ship" includes every description of vessel used in navigation

Regulations and charges for quay rent and storage

1. Provided the reasonable use and enjoyment of any quay, wharf or shed is not interfered with or business obstructed, goods may be placed thereon or therein as directed by a Port Operations Officer and will remain free of quay rent for the following periods:-

Permitted Free Period	
Goods imported from a ship	4 days after completion of final discharge of ship
Goods laid down for export by permission of the Harbour Master	4 days after the date of permission

Note: Saturdays, Sundays and Statutory holidays, when falling within the permitted free period, are included.

- Where a ship discharges cargo at more than one berth the expression "final discharge of ship" shall as regards each berth be taken to mean the date on which the discharge at such berth shall have been completed.
- After the expiration of the permitted free period, the following quay rent charges are payable for the area occupied subject to a minimum charge of £200:

Covered storage - £ 113 per 100 sq metres per week or part thereof

Open storage – £ 37 per 100 sq metres per week or part thereof

When any goods placed upon any quay or wharf, or in any shed, are or become, in the opinion of a Port Operations Officer, an obstruction to the working of such quay, wharf or shed, the goods must be removed upon notice being received from the Port Operations Officer. If not so removed, the Commissioners have power, under Section 42 of the Belfast Harbour Act, 1898, to remove the goods to some convenient place and there keep and detain them until payment is made of the expenses of such removal and detention, and of any quay rent due thereon, and to sell the goods if such expenses and quay rent are not paid.

- Goods, whether import or export, shall be placed in sheds or on the quays in such a manner as to occupy the least possible space and, in this connection, a Port Operations Officer may direct such piling of cargo as, in his opinion, is necessary.

Notice - Goods at owner's risk

All goods laid down on or passing over the quays of the Belfast Harbour Commissioners or placed in any shed of the Commissioners or any other such location as directed by the Commissioners, are laid down at the Owner's sole risk in every respect.

The Commissioners have no custody of such goods and will not be responsible for loss or damage thereto from whatever cause arising.

Persons in charge of goods should protect them from loss, damage or injury. Special care is necessary in the case of goods susceptible to taint or stain or damage from other goods.

Regulations and charges for cranes

Use of BHC cranes is restricted to stevedores licensed by the Belfast Harbour Commissioners, in accordance with The Conditions of Crane Hire.

- The booking will cover the entire use of a crane by the hirer for the same ship.
- Discharge and loading will be treated as separate bookings unless the work is continuous.
- Minimum hire period for all crane orders is 2 hours.
- Should no crane work be undertaken within the first two hours after commencement of the hire period BHC reserves the right, subject to the reasonable requirements of the Hirer, to allocate the crane to another booking.
- Crane Rental hours = Total Hire hours less breakdown (of BHC equipment) and /or stoppages for high winds and rain, subject to a minimum 2hr rental period
